RE: Utility Articles for Next Conference

The following Final Articles "A" and "G", and Preliminary Article "A" are submitted to each of you to acquaint you with the tariffs eligible for action or acceptance on or after June 27, 2007.

JLW/lid

"A" Final

The following miscellaneous item(s) will be eligible for final consideration at the next Commission Conference and based upon review by staff members of the Commission, I recommend approval.

1. Van Buren Water, Inc.

The utility is proposing to increase its Reconnection Charge from \$25.00 to \$50.00. The purpose of this charge is to recover the utility's cost to reconnect a customer following a customer's disconnection. The reason for the change is the higher cost charged by the utility's contractor that performs the reconnection service. Cost support has been provided.

	Current Charge	Proposed Charge
Reconnection Charge	\$25.00	\$50.00

"A" Preliminary

The following new miscellaneous items have been reviewed by staff members of the Commission and we recommend accepting them for filing.

1. Pike-Gibson Water, Inc.

The utility is proposing to increase the Connection Charge (tap fee) for all new customers, depending on the size of the connection. The proposed charge for a 5/8 inch connection is \$600.00, up from the current charge of \$340.00. For any meter size greater than 5/8 inch, the connection charge will be the actual cost of the connection including labor, materials and equipment, but no less than \$600.00. In addition to the connection charge, the customer will be responsible for the cost of the road bore, if one is needed. The reason for the change is increases in labor, materials, and equipment. Cost support has been provided.

Connection Fee	Current Charge	Proposed Charge
5/8" meter	\$340.00	\$600.00, plus cost of road bore, if necessary
Larger than 5/8" meter	Actual cost, but not less than \$340.00	Actual cost, but not less than \$600.00, plus cost of road bore, if necessary
